Cindy!!

I am so sorry. I am just opening this now. I did not know you sent me these comments on the Phase III!! I was so inundated with emails, I had not opened this. I am printing now. If I need to revise our comments to address these, I can do that. I'm tied up most of the day. I'll try to call to discuss sometime after 4pm.

Ginny

Only had yesterday and today to read and comment on this so sorry to get you these comments so late today. Call if you want to discuss. If you have time, could I read what you are planning to send to MassDEP before it goes out?
